- Your Lifetime Income Rate determines the percentage of Investment Value you will receive when you commence your guaranteed Lifetime Income. It comprises an Age-Based Rate with an Annual Income Escalator which increases your Lifetime Income Rate for each complete year you delay commencing your Lifetime Income.
- The rates quoted above are applicable for new investors. Existing investors should refer to their Investor Certificate for confirmation of their applicable rates. We reserve the right to change the Age-Based Rates and Annual Income Escalators offered at any time.

* If the Spouse Insured Option is elected, refer to the younger age of the Life Insured or their Spouse at the Commencement Date. The Spouse Insured Option may be selected when you commence your Lifetime Income. If the Spouse Insured Option is selected it will enable the lifetime income to continue to be paid in the event of the death of the Life Insured, assuming the nominated spouse is still alive.
